*Did you know that 29,000 children die every day from hunger and hunger-related causes?

For close to a decade, the Armenian Church Youth Ministries, led by Fr. Vazken Movsesian has participated in a planned famine - fasting for 30 hours and raised awareness for world hunger. By walking "In the shoes of others" the ministry has raised over half-a-million-dollars for food in countries devastated by war and genocide.

This year we're at it again on the weekend of April 24. We invite you to participate by supporting this event: "Taste the Nations" and help "Feed the World."
