It's only getting worse!

Genocide in Darfur is real! Its been documented and on March 4, 2009 the International Criminal Court in The Hague issued an arrest warrant for President Omar al Bashir of Sudan. Immediately he expelled 16 humanitarian organizations from Sudan, putting at risk MILLIONS of Darfuris.

Unless something is done IMMEDIATELY, millions of displaced Darfuris will die in the next few weeks due to disease and starvation.

THIS IS NOT JUST A REPEAT OF THE ARMENIAN GENOCIDE. THIS IS THE CONTINUATION OF THE SAME CRIME - FROM THE TIME ARMENIAN GENOCIDE.

Take Action NOW. Join us - In His Shoes, JWW, Stop Genocide Now, HOPE, at the Federal Building on March 17 to demand immediate and decisive action by the US, the UN and the EU.

“During the Armenian Genocide the world closed its eyes, ears and mouth. In the end, 1.5 Million Armenians were slaughtered and millions more exiled in the First Genocide of the 20th Century. Let's not participate in the same mistake. Let's open our eyes, ears and mouth! Let's make this, the First Genocide of the 21st Century, the last one in human history! Walk in their shoes!” ~ Fr. Vazken Movsesian
